Please be advised that after much thought and deliberation, we have made a final decision to cancel the 2009 NAHRW/IAOHRA Joint Conference which was scheduled to be held in Los Angeles.

Leon is in New York this week for the NAACP Annual Conference and Willie will be in Wilmington, NC later today for the remainder of the week. Once we are back at our respective offices, we will be in contact with you to discuss this matter further; other implications we may have to address; and NAHRW and IAOHRA, individually, making plans for their annual meetings since this is an election year for both organizations.

Thank you for your patience and please accept our apologies for any inconveniences this process may have caused any of you.

Leon Russell, President
IAOHRA

Willie Ratchford, President
